

JURASSICASTERS

The Jurassicasters are made up of some of the Rocky Mountain region's most celebrated performers. International guitar guru Dave Beegle brings his mighty axe to the nation's hottest party-rock band. Whether it's Jimi Hendrix, Stevie Ray Vaughan, Jeff Beck, or The Edge, it does not get any better than Dave's interpretation. Add the distinct, clean voice of Keith Rosenhagen (vocals, guitars) and a solid rhythm section featuring Michael Olson on bass guitar and Matt Henderson on drums.

ROCK-N-ROLL SO CLASSIC... IT'S JURASSIC

The Jurassicasters have performed at corporate parties, festivals and clubs to a variety of audiences who all share the same experience....a rockin' good time! Some of their clients include Hewlett Packard, The Hannifin Imoff Investment Group, American Educational Products, BI Worldwide, The Adams Mark Hotel and The National Chiropractors Association of Colorado. The band has also shared the stage with national acts such as The Guess Who, Blackfoot and The Atlanta Rhythm Section, to name a few.
